TWO KC MEN INDICTED ON NARCOTICS CHARGES

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that two Kansas City, Mo., men were indicted by a federal grand jury today, in separate and unrelated cases, for possession with intent to distribute crack cocaine.

* **Carl W. White**, 22, of Kansas City, was charged in an indictment returned by a federal grand jury in Kansas City.

The federal indictment alleges that **White** possessed with intent to distribute 50 grams or more of crack cocaine on Feb. 22, 2004.

* **Anthony D. Sisco**, 26, of Kansas City, was charged in an indictment returned by a federal grand jury in Kansas City.

The federal indictment alleges that **Sisco** possessed with intent to distribute 50 grams or more of crack cocaine on April 15, 2004.

These cases are being prosecuted by Assistant U.S. Attorney Kathleen D. Mahoney. They were investigated by the Kansas City, Mo., Police Department.

Graves cautioned that the charges contained in the indictments are simply accusations, and not evidence of guilt. Evidence supporting the charges must be presented to a federal trial jury, whose duty is to determine guilt or innocence.
